

# HARTMANN COLLEGE BAREILLY

## HOLIDAY HOMEWORK 2016-17

### CLASS VI

### SOCIAL SCIENCE

**OBJECTIVE:** To create awareness about biodiversity and importance of protecting endangered species and habitat.

#### **TOPIC: WILDLIFE MANAGEMENT**

- Prepare a project file/PPT with the following details:

**INTRODUCTION:** India has a variety of wildlife. In the recent years the demand for the conservation of wildlife has been increasing consistently.

- What is the importance of biodiversity?
- Give reasons for destruction of wildlife.
- List the measures taken by the government to conserve wildlife.
- Mention the Laws enacted by the government to protect wildlife.

#### **SPECIFIC DETAILS :**

- Collect information on National Parks, Wildlife Sanctuaries and Biosphere Reserves (2 each) in India.
- On the Political map of India mark and label the above mentioned places.
- Give the importance of National Parks and sanctuaries in protecting animals.
- The project must contain pictures & articles related to the topic.

#### **CONCLUSION AND SUMMARY**

- Why is it important to protect animals?
- Your suggestions on how can we bring awareness among the students.
- How are National parks, wildlife sanctuaries & Bio reserves different from eachother?
