

Games and activities are more than just fun for kids - they also help with physical development and early learning. Make this summer vacation a learning paradise for the child.

It is also important that your child learns to converse in English. Here are some tips.....

- The child should say his/her name in full sentences.
- Teach the child to use short sentences e.g. – May I go to wash room, Please open my water bottle/tiffin, May I drink water, May I come in etc.
- Converse with the child in English using small sentences.
- Do picture reading with the child.
